

Appendix D:
Selected Climate Bills Introduced into the 112th-115th Congresses, 2011-2017

112th Congress, 2011-2013
 [Democratic Senate, Republican House, Democratic President]

Table 1A: Bills Strengthening GHG Emissions Regulation

Table 1A - Bill Title and Sponsor	Description
H.R.2609 - Enhancing Livability for All Americans Act of 2011 - Cohen, Steve [D-TN-9]	Requires priority be given to: (1) investment projects that increase the number of transportation options, improve access to housing, jobs, and services, and reduce greenhouse gas
H.R.6531 - Bottle Recycling Climate Protection Act of 2012 - Markey, Edward J. [D-MA-7]	Directs each deposit initiator to pay to a state, quarterly, unclaimed refund amounts, which shall be available to the state for programs designed to reduce greenhouse gas emissions.
H.R.1123 - TIFIA Expansion Act of 2011 - Richardson, Laura [D-CA-37]	TIFIA Expansion Act of 2011 - Revises Transportation Infrastructure Finance and Innovation Act (TIFIA) program requirements to make eligible for TIFIA funding any projects that: (1) are for the design, acquisition, construction, or rehabilitation of one or more transportation projects that reduce emissions of greenhouse gases
S.1510 - Clean Energy Financing Act of 2011 - Bingaman, Jeff [D-NM]	Establishes in DOE the Clean Energy Deployment Administration (CEDA), to foster liquid, efficient, competitive, and resilient energy and energy efficiency finance markets, and ensure that no project exceeds the net greenhouse gas emissions resulting from the operation of existing commercially-deployed technologies or facilities producing comparable commodities or products within the United States.
S.1601 - Department of State, Foreign Operations, and Related Programs Appropriations Act, 2012 - Leahy, Patrick J. [D-VT]	Obligates funds under this Act for programs to: (1) reduce greenhouse gases and support climate change adaptation; and (2) protect forests, other critical landscapes, and biodiversity.
S.2465 - Energy and Water Development and Related Agencies Appropriations Act, 2013 - Feinstein, Dianne [D-CA]	Mandates more frequent DOE reviews of programs to avoid, reduce, or sequester air pollutants or anthropogenic emissions of greenhouse gases.

Table 1B: Bills Attempting to Remove Executive Authority to Address Climate

Table 1B - Bill Title and Sponsor	Description
H.R.279 - To prohibit any Federal agency or official from imposing a fee or tax on gaseous emissions emitted directly by livestock. - Fortenberry, Jeff [R-NE-1]	Prohibits any federal agency or official from imposing a fee or tax on gaseous emissions emitted directly by livestock in carrying out any Act or program to reduce the effects of greenhouse gas emissions on climate change.
H.R.750 - Defending America's Affordable Energy and Jobs Act - Walberg, Tim [R-MI-7]	Prohibits the President or any federal agency head from promulgating regulations providing for the control of emissions of a greenhouse gas (GHG),
S.228 - Defending America's Affordable Energy and Jobs Act - Barrasso, John [R-WY]	Prohibits the President or any federal agency head from promulgating regulations providing for the control of emissions of a greenhouse gas (GHG),
S.2365 - WEST Act - Hatch, Orrin G. [R-UT]	Repeals and nullifies various Obama Administration GHG rules, including the Triggering Rule and the Tailoring Rule
H.R.3409 - Stop the War on Coal Act of 2012 - Johnson, Bill [R-OH-6]	Repeals and nullifies various Obama Administration GHG rules, including the Triggering Rule and the Tailoring Rule.
H.R.909 - Roadmap for America's Energy Future - Nunes, Devin [R-CA-21]	Amends the Energy Independence and Security Act of 2007 to repeal the limitation on federal contracting for procurement and acquisition of alternative fuels with respect to associated lifecycle greenhouse gas emissions.
H.R.2584 - Department of the Interior, Environment, and Related Agencies Appropriations Act, 2012 - Simpson, Michael K. [R-ID-2]	Prohibits the Administrator of the EPA, with specified exceptions, during a one-year period beginning on this Act's enactment, from proposing or promulgating any regulation regarding the emissions of greenhouse gases from stationary sources to address climate change.
H.R.6091 - Department of the Interior, Environment, and Related Agencies Appropriations Act, 2013 - Simpson, Michael K. [R-ID-2]	Prohibits the use of any funds to require mandatory reporting of certain agricultural greenhouse gas emissions. Prohibits funds in this Act from being used to enforce any regulation pursuant to the Clean Air Act regarding the regulation of any greenhouse gas emissions from new motor vehicles
S.2199 - Grow America Act of 2012 - Lee, Mike [R-UT]	Amends the Clean Air Act to redefine "air pollutant" to exclude carbon dioxide, water vapor, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, or sulfur hexafluoride (greenhouse gases).
H.R.5325 - Energy and Water Development and Related Agencies Appropriations Act, 2013 - Frelinghuysen, Rodney P. [R-NJ-11]	Prohibits the use of funds available under this Act to enforce certain requirements to enforce requirements under the Energy Independence and Security Act of 2007 for procurement and acquisition of alternative fuels that restrict associated lifecycle greenhouse gas emissions.
H.R.5972 - Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2013 - Latham, Tom [R-IA-4]	Prohibits the use of funds under this Act to enforce the requirement under the Energy Independence and Security Act of 2007 that any federal agency contract for procurement of an alternative or synthetic fuel specify that the lifecycle greenhouse gas emissions must be less than or equal to such emissions from the equivalent conventional fuel produced from conventional petroleum sources.

113th Congress, 2013-2015
[Democratic Senate, Republican House, Democratic President]

Table 2A: Bills Strengthening GHG Emissions Regulation

Table 2A - Bill Title and Sponsor	Description
H.R.2863 - GREEN Jobs Act of 2013 - Payne, Donald M., Jr. [D-NJ-10]	Amends the Community Development Banking and Financial Institutions Act of 1994 to encourage development financial institutions to develop or support small businesses that provide green jobs to low-income individuals in low-income communities, including jobs that reduce greenhouse gas emissions and other pollutants.
H.R.5307 - America's Energy Security Trust Fund Act of 2014 - Larson, John B. [D-CT-1]	Directs the Secretary of the Treasury to study and report to Congress on the best methods to assess and collect taxes on certain greenhouse gases.
S.332 - Climate Protection Act of 2013 - Sanders, Bernard [I-VT]	Directs the EPA Administrator to establish the Sustainable Technologies Finance Program to provide financial assistance for projects that reduce greenhouse gas (GHG) emissions.
H.R.4956 - American Energy Opportunity Act of 2014 - Walz, Timothy J. [D-MN-1]	Requires the Secretary of Energy (DOE) to implement a grant and loan program for the construction or modernization of coal fired generation units to enable use of technology to reduce greenhouse gases,
H.R.400 - Clean Energy Technology Manufacturing and Export Assistance Act of 2013 - Matsui, Doris O. [D-CA-6]	Export assistance for "clean energy technology," defined to mean an energy technology that will contribute to a stabilization of atmospheric greenhouse gas concentrations.
S.2940 - American Opportunity Carbon Fee Act - Whitehouse, Sheldon [D-RI]	Amends the Internal Revenue Code to impose a fee on fossil fuel products and emissions of any greenhouse gas other than carbon dioxide from any greenhouse gas emission source.
H.R.5624 - Economy in Motion: The National Multimodal and Sustainable Freight Infrastructure Act - Lowenthal, Alan S. [D-CA-47]	Requires state freight plans to include strategies and goals to decrease greenhouse gas emissions, local air pollution, water runoff, and wildlife habitat loss.
S.570 - Clean Energy Race to the Top Act of 2013 - Bennet, Michael F. [D-CO]	Establishes in the Department of Energy (DOE) a program to provide grants develop and carry out clean energy and carbon reduction measures, such as renewable electricity standards, regional or statewide climate action plans, and participation in a regional greenhouse gas reduction program.
S.1245 - Energy and Water Development and Related Agencies Appropriations Act, 2014 - Feinstein, Dianne [D-CA]	Increases the frequency of reviews of DOE programs including those that avoid, reduce, or sequester air pollutants or anthropogenic emissions of greenhouse gases

Table 2B: Bills Attempting to Remove Executive Authority to Address Climate

Table 2B - Bill Title and Sponsor	Description
H.R.4393 - To prohibit any Federal agency or official or program to reduce the effects of greenhouse gas emissions on climate change, from imposing a fee or tax on gaseous emissions emitted directly by livestock. - Fortenberry, Jeff [R-NE-1]	Prohibits any federal agency or official from imposing a fee or tax on gaseous emissions emitted directly by livestock in carrying out any Act or program to reduce the effects of greenhouse gas emissions on climate change.
S.2170 - American Energy Renaissance Act of 2014 - Cruz, Ted [R-TX]	Declares void and without force or effect certain proposed EPA rules regarding greenhouse gas emissions and carbon pollution.
H.R.2 - American Energy Solutions for Lower Costs and More American Jobs Act - Terry, Lee [R-NE-2]	Precludes any EPA rule or guideline that: (1) establishes any performance standard for greenhouse gas emissions from a fossil fuel-fired electric utility generating unit, or (2) applies to greenhouse gas emissions from such an existing source.
S.163 - A bill to prohibit any regulation regarding carbon dioxide or other greenhouse gas emissions reduction in the United States until China, India, and Russia implement similar reductions. - Vitter, David [R-LA]	Prohibits the head of any federal agency from establishing any carbon dioxide or greenhouse gas emissions reductions until the agency certifies in writing that the People's Republic of China, India, and the Russian Federation have proposed, implemented, and enforced measures requiring substantially similar reductions.
S.1905 - Electricity Security and Affordability Act - Manchin, Joe, III [D-WV]	Precludes from taking effect, unless a federal law is enacted specifying an effective date, any EPA rule or guideline that: (1) establishes any performance standard for greenhouse gas emissions from a modified or reconstructed source that is a fossil fuel-fired electric utility generating unit, or (2) applies to greenhouse gas emissions from such an existing source.
H.R.3033 - Energy Security and Employment Act - Latta, Robert E. [R-OH-5]	Prohibits both the President and the head of a federal department or agency from promulgating regulations providing for the control of emissions of a greenhouse gas...
H.R.2081 - No More Excuses Energy Act of 2013 - Thornberry, Mac [R-TX-13]	Amends the Clean Air Act to prohibit the Environmental Protection Agency (EPA) from regulating the emission of a greenhouse gas to address climate change, and excludes "greenhouse gas" from the definition of "air pollutant" except in connection with concerns other than climate change.
H.R.1469 - LEVEL Act (Leave Ethanol Volumes at Existing Levels Act) - Burgess, Michael C. [R-TX-26]	Amends the Clean Air Act to revoke the requirement that the Administrator ensure that renewable fuel achieves a 20% reduction in lifecycle greenhouse gas emissions compared to baseline lifecycle greenhouse gas emissions;
H.R.5171 - Department of the Interior, Environment, and Related Agencies Appropriations Act, 2015 - Burgess, Michael C. [R-TX-26]	Prohibits the use of any funds to implement any provision in a rule if the provision requires mandatory reporting of greenhouse gas emissions from manure management systems.
H.R.2610 - Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2014 - Latham, Tom [R-IA-3]	Prohibits the use of funds in furtherance of the implementation of the European Union greenhouse gas emissions trading scheme for aviation activities established by European Union Directive 2008/101/EC.

114th Congress, 2015-2017
 [Republican Senate, Republican House, Democratic President]

Table 3A: Bills Strengthening GHG Emissions Regulation

Table 3A - Bill Title and Sponsor	Description
S.1548 - American Opportunity Carbon Fee Act of 2015 - Whitehouse, Sheldon [D-RI]	Amends the Internal Revenue Code to impose fees on fossil fuel products producing carbon dioxide emissions, fluorinated greenhouse gases, emissions of any greenhouse gas from any greenhouse gas emissions source; and methane emissions.
H.R.1971 - Climate Solutions Act of 2015 - Lieu, Ted [D-CA-33]	The Environmental Protection Agency (EPA) must promulgate annual GHG emission reduction targets for each of 2030 through 2050 to ensure that U.S. greenhouse gas emissions in 2050 are at least 80% below those in 1990.
H.R.6240 - Climate Solutions Commission Act of 2016 - Delaney, John K. [D-MD-6]	This bill establishes a bipartisan National Climate Solutions Commission that must study and make recommendations for reducing greenhouse gas emissions to the President, Congress, and the state.
H.R.3104 - America's Energy Security Trust Fund Act of 2015 - Larson, John B. [D-CT-1]	Expresses the sense of Congress that the United States should establish binding agreements with major greenhouse gas emitting nations to reduce global greenhouse gas emissions.
H.R.1027 - Healthy Climate and Family Security Act of 2015 - Van Hollen, Chris [D-MD-8]	Treasury must impose fees on the import and pay fees for the export of carbon-intensive goods when the export country does not have equivalent measures to regulate greenhouse gases.
S.2399 - Climate Protection and Justice Act of 2015 - Sanders, Bernard [I-VT]	This bill amends the Clean Air Act to establish greenhouse gas emission targets for 2020, 2030, 2040, and 2050 that will result in reducing the emissions 80% below 1990 levels by 2050.
S.2089 - American Energy Innovation Act - Cantwell, Maria [D-WA]	The bill establishes: (1) a nonbinding goal to reduce greenhouse gas emissions 2% per year on average through 2025, and (2) a federal energy efficiency resource standard for retail electricity and natural gas suppliers.
S.3382 - A bill to amend title 31, United States Code, to provide for the issuance of Green Bonds and to establish the United States Green Bank, and for other purposes. - Murphy, Christopher [D-CT]	This bill establishes a U.S. Green Bank that provides financial support to assist regional, state, and local institutions finance: (1) clean energy (e.g. solar or wind energy) projects, or (2) energy efficiency projects that reduce energy use or substantially reduce greenhouse gas emissions.
S.1733 - Forest Incentives Program Act of 2015 - Shaheen, Jeanne [D-NH]	Interior shall establish a greenhouse gas incentives program to achieve supplemental greenhouse gas emission reductions from material choices in buildings.
H.R.2202 - Tax Pollution, Not Profits Act - Delaney, John K. [D-MD-6]	This bill amends the Internal Revenue Code to impose an excise tax on greenhouse gas emissions from fossil fuel products and from any facility which is required to report emissions or to which emissions are attributed. T

Table 3A - Bill Title and Sponsor	Description
H.R.1308 - Economy in Motion: The National Multimodal and Sustainable Freight Infrastructure Act - Lowenthal, Alan S. [D-CA-47]	Requires state freight plans to include strategies and goals to decrease greenhouse gas emissions.

Table 3B: Bills Attempting to Remove Executive Authority to Address Climate

Table 3B - Bill Title and Sponsor	Description
H.R.2111 - Wasteful EPA Programs Elimination Act of 2015 - Johnson, Sam [R-TX-3]	Federal funds may not be used by the EPA to regulate greenhouse gas emissions from mobile sources, or from fossil fuel-fired electric utility generating units; or for the Greenhouse Gas Reporting Program;
H.R.2822 - Department of the Interior, Environment, and Related Agencies Appropriations Act, 2016 - Calvert, Ken [R-CA-42]	Prohibits the use of any funds to implement any provision in a rule that requires mandatory reporting of greenhouse gas emissions from manure management systems.
H.R.1806 - America COMPETES Reauthorization Act of 2015 - Smith, Lamar [R-TX-21]	Amends the America COMPETES Act to revise ARPA-E goals to repeal specifications for reductions of energy-related emissions, including greenhouse gases
H.R.434 - LEVEL Act - Burgess, Michael C. [R-TX-26]	The bill revokes the requirement that the Environmental Protection Agency (EPA) ensure that renewable fuels emit fewer greenhouse gases than the fuel it replaces.

115th Congress, 2017-2019
 [Republican Senate, Republican House, Republican President]

Table 4A: Bills Strengthening GHG Emissions Regulation

Table 4A - Bill Title and Sponsor	Description
H.R.3420 - American Opportunity Carbon Fee Act of 2017 - Blumenauer, Earl [D-OR-3]	This bill amends the Internal Revenue Code to impose fees on fossil fuel products producing carbon dioxide emissions, fluorinated greenhouse gases, emissions of any greenhouse gas from any greenhouse gas emissions source.
S.1639 - American Opportunity Carbon Fee Act of 2017 - Whitehouse, Sheldon [D-RI]	This bill amends the Internal Revenue Code to impose fees on fossil fuel products producing carbon dioxide emissions, fluorinated greenhouse gases, emissions of any greenhouse gas from any greenhouse gas emissions source.
H.R.2958 - Climate Solutions Act of 2017 - Lieu, Ted [D-CA-33]	The Environmental Protection Agency (EPA) must promulgate annual emission reduction targets for each of 2030 through 2050 to ensure that U.S. greenhouse gas emissions in 2050 are at least 80% below those in 1990 .
S.2643 — 115th Congress (2017-2018) - Markey, Edward J. [D-MA]	This bill prevents the Environmental Protection Agency from reducing the stringency of greenhouse gas emissions standards for light-duty vehicles
H.R.2326 — 115th Congress (2017-2018) - Delaney, John K. [D-MD-6]	This bill establishes a bipartisan National Climate Solutions Commission that must make recommendations for reducing greenhouse gas emissions to the President, Congress, and the states.
H.R.6463 - MARKET CHOICE Act - Curbelo, Carlos [R-FL-26]	This bill imposes a tax on the greenhouse gas emissions of fossil fuels, certain industrial processes, and certain product uses.
S.3791 - Energy Innovation and Carbon Dividend Act of 2018 - Coons, Christopher A. [D-DE]	This bill imposes a fee on the carbon content of fuels , or any other product derived from those fuels that will be used so as to emit greenhouse gases into the atmosphere.
H.R.5226 - Clean and Efficient Cars Act of 2018 - Matsui, Doris O. [D-CA-6]	This bill provides statutory authority for rules concerning corporate average fuel economy (CAFE) standards for automobiles with model years 2021 through 2025 and greenhouse gas emission standards for light-duty vehicles (e.g., trucks) with model years 2017 through 2025.
S.2350 - Forest Incentives Program Act of 2018 - Shaheen, Jeanne [D-NH]	This bill directs the Department of Agriculture (USDA) to create certain programs that provide incentives to reduce greenhouse gas emissions.
H.R.4926 - American Opportunity Carbon Fee Act of 2018 - Blumenauer, Earl [D-OR-3]	This bill amends the Internal Revenue Code to impose fees on fossil fuel products producing carbon dioxide emissions, fluorinated greenhouse gases, emissions of any greenhouse gas from any greenhouse gas emissions source, and associated emissions (attributable to venting, flaring, and leakage across the supply chain
S.2368 - American Opportunity Carbon Fee Act of 2018 - Whitehouse, Sheldon [D-RI]	This bill amends the Internal Revenue Code to impose fees on fossil fuel products producing carbon dioxide emissions, fluorinated greenhouse gases, emissions

Table 4A - Bill Title and Sponsor	Description
	of any greenhouse gas from any greenhouse gas emissions source, and associated emissions (attributable to venting, flaring, and leakage across the supply chain.
S.2352 - Healthy Climate and Family Security Act of 2018 - Van Hollen, Chris [D-MD]	Treasury must impose fees on the import and pay fees for the export of carbon-intensive goods when the export country does not have equivalent measures to regulate greenhouse gases.
H.R.4889 - Healthy Climate and Family Security Act of 2018 - Beyer, Donald S., Jr. [D-VA-8]	Treasury must impose fees on the import and pay fees for the export of carbon-intensive goods when the export country does not have equivalent measures to regulate greenhouse gases.
S.1406 - A bill to amend title 31, United States Code, to provide for the issuance of Green Bonds and to establish the United States Green Bank, and for other purposes. - Murphy, Christopher [D-CT]	This bill establishes a U.S. Green Bank that provides financial support to assist regional, state, and local institutions finance that reduce energy use or substantially reduce greenhouse gas emissions.
H.R.2995 - To amend title 31, United States Code, to provide for the issuance of Green Bonds and to establish the United States Green Bank, and for other purposes. - Esty, Elizabeth H. [D-CT-5]	This bill establishes a U.S. Green Bank that provides financial support to assist regional, state, and local institutions finance energy efficiency projects that reduce energy use or substantially reduce greenhouse gas emissions.
H.R.7173 - Energy Innovation and Carbon Dividend Act of 2018 - Deutch, Theodore E. [D-FL-22]	This bill amends the Internal Revenue Code to impose a fee on the carbon content of fuels , including crude oil, natural gas, coal, or any other product derived from those fuels that will be used so as to emit greenhouse gases into the atmosphere.
H.R.2014 - Tax Pollution, Not Profits Act - Delaney, John K. [D-MD-6]	This bill amends the Internal Revenue Code to impose an excise tax on certain greenhouse gas emissions .
S.3481 - Climate Risk Disclosure Act of 2018 - Warren, Elizabeth [D-MA]	This bill directs the Securities and Exchange Commission to require an issuer of securities to annually disclose information regarding climate change-related risks, including information regarding an issuer's (1) direct and indirect greenhouse-gas emissions, (2) fossil fuel-related assets, and (3) strategies to address risks related to climate change.

Table 4B: Bills Attempting to Remove Executive Authority to Address Climate

Table 4B - Bill Title and Sponsor	Description
H.R.6147 - Interior, Environment, Financial Services and General Government, Agriculture, Rural Development, Food and Drug Administration, and Transportation, Housing and Urban Development Appropriations Act, 2019 - Calvert, Ken [Rep.-R-CA-42]	This bill prohibits funds from being used to promulgate or implement any regulation requiring the issuance of permits under the Clean Air Act for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.
H.R.3354 - Interior and Environment, Agriculture and Rural Development, Commerce, Justice, Science, Financial Services and General Government, Homeland Security, Labor, Health and Human Services, Education, State and Foreign Operations, Transportation, Housing and Urban Development, Defense, Military Construction and Veterans Affairs, Legislative Branch, and Energy and Water Development Appropriations Act, 2018 - Calvert, Ken [Rep.-R-CA-42]	This bill prohibits funds from being used to promulgate or implement any regulation requiring the issuance of permits under the Clean Air Act for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.
H.R.3219 - Make America Secure Appropriations Act, 2018 - Granger, Kay [Rep.-R-TX-12]	This bill prohibits funds provided by this division from being used to prepare, propose, or promulgate any regulation or guidance that references or relies on the analysis contained in specified technical support documents and guidance related to the social cost of carbon and greenhouse gas emissions.
H.R.2438 - Fighting Against Imbalanced Regulatory Burdens Act of 2017 - Rothfus, Keith J. [Rep.-R-PA-12]	This bill amends the Clean Air Act to prohibit a regulation concerning emissions of carbon dioxide from a fossil fuel-fired electric generating unit from taking effect until the Environmental Protection Agency certifies that a sufficient number of countries have adopted climate change regulations for carbon dioxide that are at least as stringent. A "sufficient number" is a number of countries that account for at least 80% of global carbon dioxide emissions in the last year, excluding those in the United States.
H.R.1625 - Consolidated Appropriations Act, 2018 - Royce, Edward R. [Rep.-R-CA-39]	This bill prohibits funds from being used to promulgate or implement any regulation requiring the issuance of permits under the Clean Air Act for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.
S.453 - Agency PAYGO for Greenhouse Gases Act - Flake, Jeff [Sen.-R-AZ]	This bill requires the Environmental Protection Agency (EPA) to include an offset in any proposed rule that limits greenhouse gas emissions and imposes increased costs on other agencies. The offset must be from funds available to the EPA and be for all projected increased costs imposed on other agencies. Agencies may not pass on the cost imposed by the rule on to any rate payer of the agencies.
H.R.958 - Wasteful EPA Programs Elimination Act of 2017 - Johnson, Sam [Rep.-R-TX-3]	This bill terminates all existing grant programs of the Environmental Protection Agency (EPA), its National Clean Diesel Campaign, and its environmental justice programs. The EPA may not establish new grant programs.

Table 4B - Bill Title and Sponsor	Description
H.R.637 - Stopping EPA Overreach Act of 2017 - Palmer, Gary J. [Rep.-R-AL-6]	This bill amends the Clean Air Act to exclude carbon dioxide, water vapor, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride pollution from the scope of that Act.
H.J.Res.22 - Providing for congressional disapproval under chapter 8 of title 5, United States Code, of a rule submitted by the Environmental Protection Agency relating to "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources" - Perry, Scott [Rep.-R-PA-4]	This joint resolution nullifies the Environmental Protection Agency's rule published on June 3, 2016, that revised new source performance standards under the Clean Air Act and established new standards for emissions of greenhouse gases and volatile organic compounds from the oil and natural gas sector.
H.R.244 - Consolidated Appropriations Act, 2017 - Cook, Paul [Rep.-R-CA-8]	This bill prohibits funds from being used to promulgate or implement any regulation requiring the issuance of permits under the Clean Air Act for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.
